### **Michael J. Konieczka named President / COO of Wagman Construction, Inc.**

(York, PA) Michael J. Konieczka was promoted to the role of president / coo of Wagman Construction, Inc. (WCI). Based in Wagman Construction's downtown office in York, Pa., Konieczka served as executive vice president for WCI for the past two years. With more than 30 years of construction industry experience, Konieczka has worked extensively in the higher education, healthcare, commercial, senior living and hospitality/multi-family residential market segments. He is a member of the Lean Construction Institute and holds a B.S. in Civil Engineering from the University of Pittsburgh.

"After conducting a nationwide search and interviewing multiple candidates, the family and board of directors affirmed Michael Konieczka as the best person to fulfill the role as president", states Mike Glezer, CEO. Glezer adds, "His experience working with large successful contractors and the Lean Construction Institute has brought a new level of strategic vision and implementation of technology to the organization that has enhanced our operations and level of service internally and externally."

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, Pa. As a full service general contractor, Wagman Construction facilitates growth and development in senior living, healthcare, higher education, urban, institutional and industrial markets in central Pennsylvania, Virginia & Maryland. For more information about Wagman, please visit [www.wagman.com](http://www.wagman.com).
